In addition, you may also receive information from other program areas within this Regional Office.

We are enclosing a copy of the RCRA Facility File Index Sheets for Nepera, Division Rutherford Chemicals at Arden House Road in Harriman, New York. There may be other RCRA documents that the EPA RCRA Project Manager would have that are not included on the enclosed index sheets. We are checking with the EPA RCRA Project Manager on this. We are also enclosing a copy of the RCRA Compliance Monitoring, and Enforcement Data Report regarding inspection information for Nepera in Harriman, New York.

The approximate amount of RCRA information that we have in our RCRA file room is about 43 inches. One inch is equivalent to 250 pages. The cost for copying each page is \$.15.

You can place an asterisk next to the documents that interest you on the index sheets, and then fax the indexes to Mr. Abrines at (212) 637-3526. Or, you can e-mail the information to abrines.david@epa.gov. Afterward, Mr. Abrines will review the documents that you selected on the indexes, and contact you concerning the final cost.

We also have about six documents for Nepera, Harriman, New York, which may be considered confidential. We recommend that you first review the documents that we have. If after reviewing the documents and you still have an interest in pursuing the regulatory process to request disclosure of the confidential document, please inform Mr. Abrines at the above number.

We are also enclosing a copy of two RCRA handler reports for other sites that are located in Harriman, and Woodbury, New York. Please review the reports and advise us if there are any facilities you may need further information. You can indicate which sites you are interested in, by placing an asterisk next to the EPA Identification Number(s) and then fax the pages to Mr. Abrines at the above fax number. Please contact Mr. Abrines at (212) 637-3043 when you are ready to fax the information to us. Or you can send the information by e-mail to abrines.david@epa.gov.
